#### **Where to Bring Your Boat/Gated Area Boat Slips**

When you turn onto Marina Drive, make your second right. This is the gated Marina area. The guardhouse will have the list of all registered boats, give your name and you will be directed to where to park your boat. One parking space behind the gate will be available per registered boat on a first come first serve basis. Any questions, please contact Lisa-Marie: 703-209-3653.

After you drop you boat off, you may need to move your car to designated parking areas due to the limited parking in the gated area.

#### **General Parking**

The marina is located on National Park property, and all National Park Service rules apply. All cars are to use front-end park only...warning the Park Police will ticket.

Warning...Do not park in 20 min only designated parking spots (in front of wet slips). Please do not block or park in front of other people's boats.

Overnight Parking. The park is closed between Midnight & 6:00 AM. So cars that need to be left at the marina overnight should be behind the gate.

There are 3 different lots for parking (see Marina Map-areas marked with yellow stars).

Area 1-When you turn onto Marina Drive, continue straight towards restaurant. There is a loop with parking on both side.

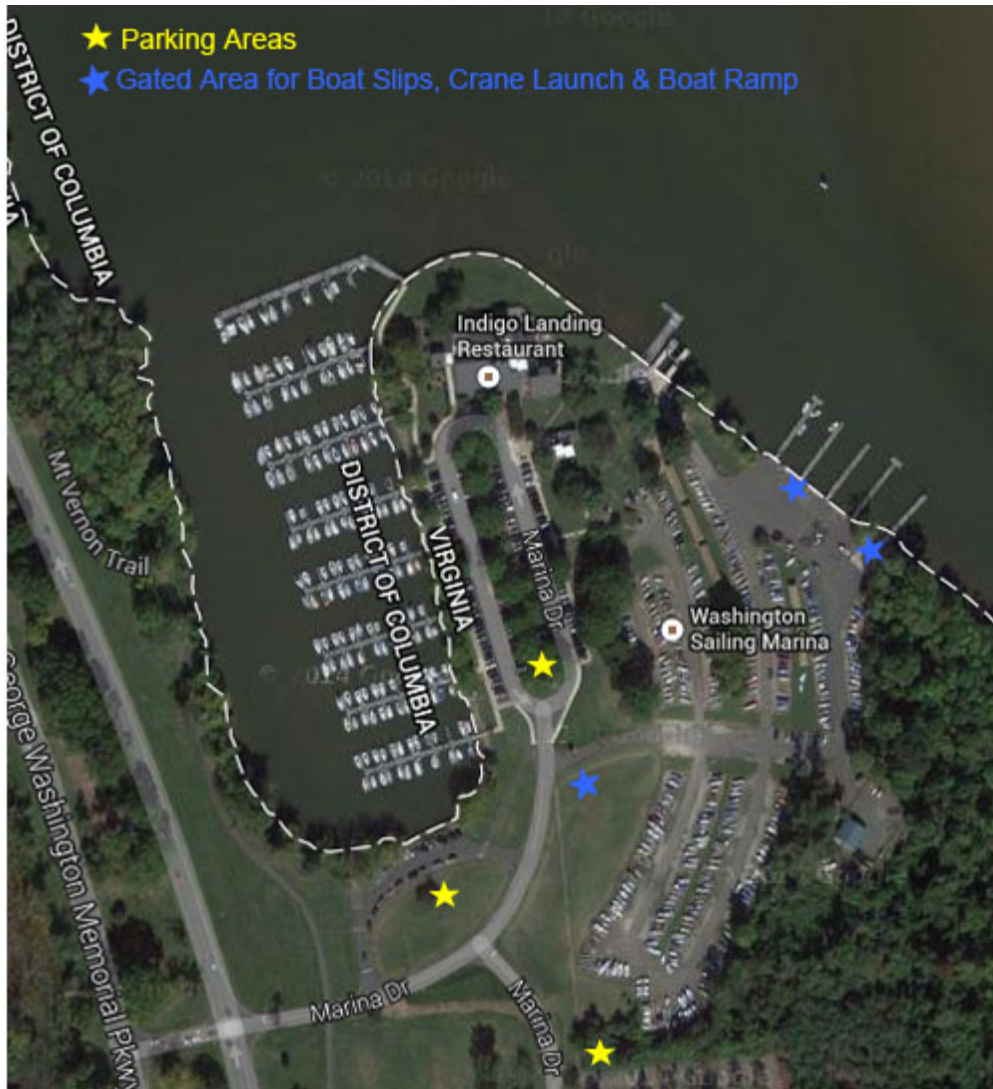

Area 2-When you turn onto Marina Drive, make your 1st left.  
there is a small horseshoe area on the left where there is parking.

Area 3/Overflow Parking

When you turn onto Marina Drive, make your 1st right. There will be a large overflow parking lot.
